

## **Product Bulletin**

May 18, 2011

It is important to know that all Hoosier Racing Tires are designed for a specific purpose, fitment, and application and effective immediately Hoosier Racing Tires are not recommended or to be used on Nitro injected A/Fuel Dragsters, Pro Fuel Dragsters, Fuel Funny Cars, or Top Fuel Dragsters. We are developing tires for some of these applications and notice will be given when these tires are available for sale.

Never utilize a tire for a purpose it was not intended. Utilizing Hoosier Tires in any form outside of their intended use constitutes misuse of the product and can cause **SERIOUS PERSONAL INJURY OR DEATH.**

### **Updated June 8, 2011**

Effective immediately, we are asking NHRA competitors in the Pro Mod, Top Alcohol Funny Car and Top Alcohol Dragster classes and IHRA competitors in the Pro Fuel Dragster classes, to suspend use of the below listed tires until further notice.

Catalog number: 18900
